

Vilnius, Lithuania

Business Trip.

Why should we visit Vilnius, Lithuania?

The key point of our business trip is to increase business skills and knowledge of new technologies.

This city has many historic buildings representing Gothic, Renaissance, Baroque, and Classical architectural styles.

Lithuania, with its rich cultural heritage, is home to monuments that bear witness to its ancient history. Each corner will tell stories of bygone eras, from the fortress of the Gediminas Monument to the spirituality of the Hill of Crosses.

Why should we visit Vilnius, Lithuania?

CyberWiseCon is a premier IT security conference that brings together cybersecurity experts, industry leaders, and IT professionals from around Europe.

Lithuania is ranked 8 of the 10 countries with the best cybersecurity in the world.
